Explanation of Necessary Modifications for Co₂/HPA Conversion Kit FIRE Installation:

Grip Mod – Part of the grip must be altered or removed to accommodate the valve extending from the gun.

Mag Mod – Part of the magazine must be altered or removed to accommodate the valve extending from the gun.

Trigger Guard – Part of the trigger guard may need to be shaved down to accommodate the Co₂/HPA Conversion Kit.

None – No alterations or modifications needed to accommodate the Co₂/HPA Conversion Kit.
